Bachelor of Science in Convention-Exhibition Economy and Administration 2013-2017

- Honor: Obtained the first batch of Junior Qualification as an Exhibition Planner in China.
- Activities: Served as a member of the Public Relations Department at school, responsible for designing event posters and planning activities.

UX PROJECT

Spirits - Dating App Concept

- Conducted user research to **identify pain points** in swipe-based dating (superficial matching, low engagement)
- Designed **end-to-end user experience** including flows, wireframes, and high-fidelity prototypes in Figma
- Introduced conversation-first interactions and progressive profile reveal to **reduce visual bias**
- **Improved user engagement** by promoting intentional matching and reducing decision fatigue

EXPERIENCE

Xiamen In-one Culture Co., Ltd

Xiamen, China

Event Planning Coordinator 2018-2019

- Participated in the planning and execution of over 30 events, including large-scale events with more than 3,000 attendees.
- Managed and **handled multiple projects simutaneously**, concerted arrangments and plans with various provider and clients.

Beijing Meisiweishi Conference and Exhibition Services Co., Ltd

Beijing, China

Intern of Exhibition Manager 2017
